KISMET AT SADDLE PEAK HOUSE

Design by Michael Sant Architects

Pristinely tucked behind a majestic boulder, this dynamic house sits atop one of Topanga Canyon’s highest peaks in utmost privacy. Above the stratus clouds in tune with nature’s cadence, Anna and Lucy meander the paths and warm corridors with ease and conscious delight.

Our latest Autumn/Winter collection emerges with sophistication and rigor in an elevated playfulness with bursts of color and dynamic textures from ombre color-blocked patterns, double-knit floral abstractions, and contrasting curvilinear knit shapes. The diamond shape is expanded, puffed and braided for extra depth & dimension. The feminine form is celebrated from all angles; its mesmerizing curves gracefully balancing a post-modern sensuality and mobility.
