

A fashion advertisement featuring two models. The model in the foreground is a Black woman with long braids, wearing a knit top and pants with a bold orange and maroon abstract pattern. She is seated and looking directly at the camera. The model in the background is a woman with long dark hair, wearing a knit top with a blue and purple abstract pattern, draped over her shoulders. She is standing and looking off to the side. The background is a simple, light-colored wall with soft lighting.

KERISMA

Spring Summer 2023

*It's the little steps we take each day
that will make a big difference collectively.*

A dear friend recently asked:

*What if everyone picked up a piece of trash
on the beach each time they visited?*

That day, he had picked up 2 bags full of ocean plastics and random "trash"
that washed up a shore on the fine sandy beach of Sian Ka'an, Tulum.

Everyday, most of us walk around being astounded by
our own people's destruction and carelessness.
Yet, rarely do we think that we can act in the moment and make a difference.

A tiny act such as picking up a piece of trash
can have a grand impact in the coming years & decades.

As we become more intentional and conscious of what we create and produce,
a product's projected lifespan is key.

We are what we wear so choose wisely and pass it on
to your friends, family, and future generations when it no longer serves you.
Let's keep what we create in use and keep the storytelling alive
and thriving for many years to come.

With Love & Gratitude,

Lihui Ke

This season, we created 4 distinct mini-collections
to honor the mystic healing powers of seas and its fragrant shorelines.

The Rib Series

We expanded our classic rib knitting into new patterns and silhouettes
with bold kimono-inspired sleeves paired with elegant Persian necklines.
A versatile belted multi-rib pant is our take on understated timeless elegance.

The Eyelet Series

Two intricate lace patterns from our AW22 collection are re-introduced here
in a fine boucle and satin/sheen recycled yarns.

The result is a collection of relaxed yet elegant lounge sets
that will carry you from city to countryside with ease and charming confidence.

The Intarsia Series

A bold abstract squiggle pattern sets the tone for playful color-blocking.

We applied them to our favorite bodies
including the Ryu, Aja, and Betty. Mix & match between
color stories for an even wilder look!

The Hand Crocheted Series

While we gently introduce our first hand-crocheted capsule collection.
We applied this centuries-old technique to a fettuccine shaped chunky
ribbon yarn in gorgeous earthy tones and lavender floral pops.

The result is a lightweight, breathable yet
structured fabric laboriously constructed
in whimsical chunky granny squares.
