THE PRIPRI & YAYA COLLECTION

Think Summer as these are the sheerest fabrics of the collection in our breathable featherweight linen yarn blend. The PRIPRI is a perforated checker pattern that layers beautifully over silks and satins while the YAYA's large Wdiamond chainlink eyelets prefer to breeze solo.

THE AIAI, KISS KISS, ZAZA COLLECTION

To borrow an architectural term "brise-soleil", both the AIAI and ZAZA patterns are brise-soleil patterns that serve as perforated screens that filter direct sunlight. The ZAZA'S diamond screen is younger but full of intrigue; each pattern is carefully placed to reveal and conceal your feminine contours consciously. The ZAZA is an oblique eyelet pattern that is dimensionally elegant and flattering.

THE SHASHA & WAWA COLLECTION

This season, we created 2 new patterns in a 2 tone jacquard... here come the Trippy Dyptichs.
The SHASHA is inspired by lava lamp patterns. The WAWA is drawn from an image of a geometric tile flooring pattern. Its moire effect is mesmerizing and interpreted in 2 scales.
That's 2 for 2 for 2 for ya!

THE KUKU COLLECTION

Inspired by Yayoi Kusama's playful dots, we expanded on the classic polkadot pattern and rendered it in a 4 color jacquard knit in variegated sizes. The result is an ultra-chic collection that invites nostalgia and retro futuristic revelries full of pulp fiction and bold glamour.
